Dear Parents/Carers,

## Year 11 Progress and Support Evening - Thursday 23 January

We are delighted to invite you to come into college to meet with teachers on this evening. You and your daughter are encouraged to arrange parents' evening appointments with their subject teachers between 4.00pm – 7.00pm on Thursday 23 January.

You will be able to make appointments with subject teachers to discuss:

- your daughter's progress in Year 11 so far
- current grades and most likely grades for your daughter
- any questions you might have about how to support your daughter's learning

These meetings will take place in college through in person/face-to-face discussions. The booking system for these appointments will take place through our parents evening system. There is no need to download an app for the parents evening system; you can just use a smart phone or laptop to book your appointment.

From Thursday 16 January at 6pm, please visit: <https://sjnc.schoolcloud.co.uk> to book your appointments.

Please log in using your child's name (first name, surname) and select your child's date of birth from the drop-down options. Select your daughter's subject teachers and book a 5 minute appointment. The booking system for appointments will close on Thursday 23 January at 12 noon.

During the evening there will also be drop-in sessions focusing on the ways in which you can help support your daughter during the remainder of Year 11. These sessions will include information about revision and wellbeing and Tim Dolan the Director of Maths will be running a session on the night as well. You will also be able to speak to members of the PP and SEND team.

We are happy for your daughter to attend the appointment along with yourself. We look forward to seeing you in person on Thursday 23 January. If you have any questions or concerns, please contact the Year 11 pastoral team for assistance.

Yours sincerely,

Ms A.Montgomery (Year 11 Pastoral Leader)
