Dear Parent/Carer

Re: GCSE Options Evening for Year 9 Students 6th February 2025

Your child will shortly be choosing their subjects to study in Year 10 and 11. In order to assist you and your child in making all their choices, you are invited to our GCSE Options Information Evening on **6th February 2025** from **5:00pm to 7:00pm**.

The main focus of the evening is to meet the teachers from each subject area to discuss what their subject has to offer and where will it lead in terms of further education and career progression. There will also be a short presentation where you will be given some general information about the choices your child will need to make.

When we return in January, your daughter's subject teachers will be giving her information and advice about the courses offered in Key Stage 4. Each student will also be receiving a booklet containing information about the Key Stage 4 curriculum and the options form itself.

Following the Options Evening, students in Year 9 will be able to complete their option forms and return these to college. The deadline for these choices will be on Friday 14th February.

Yours sincerely

C Hartley
Assistant Principal
