15th September 2023 - Edition 1

Welcome to the first edition of the SJNGC careers newsletter this year. We hope to bring you this newsletter fortnightly to give you up-to-date and useful information on all things careers!

As a careers team we have the wonderful privilege of being able to support students along their journey of finding what makes them spark! We have implemented a number of initiatives throughout the year including Mock Interviews, Careers Speed Networking Event, What's My Job Event and Work Experience Week, all in the hope of supporting our young people to discover what matters to them, to find their place in the world and to help them connect what they are studying with future career options.

Lee Flanagan is our new Careers Advisor this year and he will be running our 1 to 1 career appointments with Year 11. He will be at school on Thursdays & Fridays. For any queries, please email him on lee.flanagan@judgemeanow.org.uk or see him at breaktime in the careers office (next to the Year 10 and 11 pastoral base).

Unifrog Careers Platform

All students should have access to the Unifrog platform. This contains a wealth of information about all careers pathways and post 16 options. Students can complete a personality quiz, record their skills and create a CV, access free online courses and compile careers "shortlists" for ideas for their future. <https://www.unifrog.org/>

For all students their username will be their school email address and there is a 'forgotten your password' link for those who need this re-setting. Any issues with logging in please email Shareefah.Akhthar@sirjonathannorth.org.uk

Parents and Carers - We Need You!

Throughout the school year there will be opportunities to take part in careers events. We want to engage with as many local businesses and job sectors as possible. If this is something you, or the business you work for might like to be involved with please contact the [careers team](#).
