Dear Parents/Carers

Re: KS4 Intervention Sessions

In order to support our students with their Key Stage 4 courses, we will be offering targeted intervention sessions afterschool throughout the academic year.

Each subject will contact both yourself and your daughter with details of any interventions they plan to offer and confirm the specific dates/times of these. Some intervention session are running now and others will begin later this term. If you have any queries or questions please feel free to contact your daughter's subject teacher.

Below is a timetable which shows each subjects intervention day. This is so students do not feel overloaded. Please remember that sessions may not have started yet and you will be contacted directly when they do begin.

Day	Year 10	Year 11
Monday	English	English
Tuesday	Humanities and MFL	Humanities and MFL
Wednesday	DT & Science	DT & Science
Thursday	Expressive Arts & Maths	Expressive Arts & Maths
Friday	Computer Science & PE	Computer Science & PE

Yours sincerely

Carl Hartley
Assistant Principal
